Introduction

St Columba College is an R – 12 co-educational College established as a joint initiative of the Anglican and Catholic churches of the Adelaide Dioceses. Established in 1997 and located at Andrews Farm in the Northern suburbs of Adelaide the College is open to families who are seeking a Christian education founded on the beliefs, values and practices of both traditions of our unique ecumenical partnership.

St Columba College seeks to develop an environment in which all community members experience welcome hospitality and encounter a place of care, safety and security with students at the centre of all that is undertaken. Students are invited to think about their future, set their goals high and to engage in the effort and focus required to achieve outstanding educational and personal success. Students are respected as capable learners. Teachers are committed to providing an environment focused on outstanding teaching and learning. We strive to honour every student's right to participate in a vibrant, innovative, relevant and challenging curriculum which motivates and inspires them to develop knowledge, skills, personal beliefs and values. We provide students with opportunities to develop their spirituality, through immersion in a rigorous Religious Education curriculum and participation in a rich liturgical program based on our Anglican and Catholic traditions. We support students to develop their understanding of Christianity and of God's personal love, which we hope inspires them to be a force for good in our world - a sign of hope for others.

The College invites parents and caregivers to be partners in the education of their children. In collaboration with families, staff seek to nurture and promote the Christian traditions and aims of the College and their aspiration for the highest educational outcomes for all students. The College community prides itself on its friendly culture, rigorous academic program, high standards of student behaviour, focus on student well-being, modern facilities and excellent recreational spaces all of which are sustained by the support and commitment of its parent community.

It is an understanding that teachers will uphold, model and actively support the Anglican and Catholic values and teachings that underpin the College. High expectations are placed on teachers to demonstrate professional behaviours and to be prepared to assume all responsibilities relating to teaching that provide students with outstanding learning opportunities.
