

ST COLUMBA COLLEGE UNIFORM POLICY

The Uniform Policy of St Columba College addresses the total appearance of the student travelling to and from school and while at school. The uniform is seen as an external statement of the quality education offered at the College. In effect, it presents to the public an image which is in line with the College ethos. In addition, the uniform is a means of helping to develop unity and pride within our community. Hairstyles which may be current fashion in the community will not necessarily be in keeping with the ethos or spirit of the College Uniform Policy and students are expected to respect this.

The Uniform Policy is developed and approved by the College Council. It is an expectation that all students are to comply with the policy in all its requirements. Indeed, enrolment at the College is dependent upon parents accepting and supporting the College's Uniform Policy and rules.

The uniform is available for purchase at the College Uniform Shop.

AIMS

- To develop a sense of pride and unity within our College.
- To support and maintain the high standards within the College.

FAILURE TO COMPLY

- In a situation which the Principal/Head of School/House Leaders deems to be breach of the policy, the student will be required to rectify this breach prior to going to class. In some instances this will require the student to go home in order for the situation to be resolved.
- Minor infringements will result in disciplinary action being taken.
- Refusal to comply will result in suspension, until such time as the Principal is assured that the student will adhere to the policy. In cases of refusal to abide by the Uniform Policy, the College Council reserves the right to cancel the enrolment of the child/children.
